Expert Primary Care Services

Immediate Appointment Availability

A primary care provider can set you on a path of wellness that can last a lifetime. From routine screenings to chronic care management, they're essential in facilitating the care you need for any healthcare issue you may encounter.

Registered nurse practitioner **Geralyn Clements, APRN, FNP-C** works alongside board-certified Internal Medicine physician **Dr. Leslie Coello Echeverry** from Watson Clinic Plant City, offering comprehensive primary care services for both new and established patients, including:

- Annual Physicals and Medicare Wellness Exams
- New Patient Appointments
- Obesity Medicine
- Routine Office Visits
- Same-day Appointments

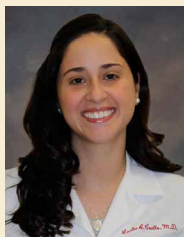

In addition, both Dr. Coello Echeverry and Ms. Clements also offer services designed to help you **reach and maintain your weight loss goals**, including consultations, medications, and ongoing management.

813-719-2500, option 1 |

Better health is possible with an exceptional primary care team in your corner. Appointments are now available with Internal Medicine specialist **Dr. Leslie Coello Echeverry** and registered nurse practitioner **Geralyn Clements, APRN, FNP-C.**
