

# PRE-OPERATIVE DIAGNOSTIC TESTING

Your surgery may require that you have some pre-operative testing. Pre-operative testing can be scheduled by calling 863-680-7450. Testing may include the following...

- Blood work
- Chest X-ray
- EKG (echocardiogram)
- Urodynamics (if applicable)
- Pre-operative appointment with Dr. Garas.
- Office visit with Primary Care Physician
- Pre-Admission testing at Lakeland Regional Medical Center (if applicable)
