AT

WATSON CLINIC LLP

Our Commitment to You

-  Our staff members will continuously strive to be courteous, helpful, knowledgeable and articulate.
-  We're committed to anticipating the needs of our guests and serving them well.
-  We believe in the concept of total spa wellness and pledge to implement this philosophy with all guests.
-  Our staff guards the privacy and modesty of our guests with proper draping techniques during all spa treatments.
-  We're attentive to preserving the spa environment and atmosphere at all times.
-  Our staff members are trained and certified in the State of Florida within their specialized field of modality.
-  Our staff members will continue their training with both products and service so our guests may receive the most up-to-date services available.
