

WATSON CLINIC

Dermatology

The board-certified physicians with **Watson Clinic's Dermatology** department at the Bella Vista Building have long set the standard for exceptional skincare in our community. Calling upon a wealth of experience and the latest technologies and treatments in the field, our team provides a host of services designed to elevate your level of skin health. These services include:

- General skin evaluations
- Diagnosis and treatment of all forms of skin cancer
- Detection and treatment of skin disorders, including eczema, psoriasis, acne, dermatitis and rosacea
- Treatment of skin, hair and nail diseases
- Dermatologic Surgery
- An onsite pathology lab offering the added convenience of a more streamlined testing and results process.

Maintaining a regular schedule for general skin evaluations is essential, particularly for those individuals with excessive recreational or occupational-related sun exposure, and those with a prior history or family history of pre-cancer, skin cancer, or melanoma.
