2019 Arts In Medicine Participant Survey Feedback

- I love this program because it uplifts patients and caregivers' spirits.
- I looked forward to spending time with the others and working on the craft projects. While doing so, I could feel relaxation coming over my mind and body. Thank you to all involved. Should my household "situation" improve, I would enjoy volunteering in the program. In short, the program is a "great escape"
- I believe that the Arts In Medicine Program is vital to the well-being of both patients and caregivers. Creative outlets are calming and healing. Thank you
- I enjoy the coloring.
- I like to color and your pictures always look good. Makes you feel like you accomplished something.
- Art is fun.
- Fantastic
- I just like to color and it passed the time and felt good.
- I really appreciate the coloring pages and the person who puts it together. Thank you!
- I have enjoyed the art "studio" activities and people for almost a year. Wonderful Experience.
- The volunteers were very sweet and gave many compliments.
- Love adult coloring.
- Wonderful
- The jewelry made by this group of amazing women. They are so uplifting, kind with hearts of gold. Thank you and bless you all!
- Music relaxed and soothed me. It has been proven music does more than just reduce anxiety. It heals, sustains life and provides much needed comfort. Even though I am a cancer survivor, I cherish listening to music. I am grateful to God that I have survived cancer 19 years but I know my faith and my music are definitely healers. Please provide music to everyone entering this Cancer facility.
- Encouragement to patients and all who come to this place. The art and music are important.
- I like coloring, yes I do. My wife enjoys the cards I make. Thank you.
- The ladies are just awesome, The have changed my life. I have been coming since 2015. Slowly they have gotten me involved and have helped me out of a depression. They are always glad to see me and have a smile on their face. Before I felt alone in my battle with cancer. Now I feel someone cares. The activities are amazing. I have seen so many people who they have helped. For me, my stress level is way down. So thank you for offering such a wonderful program. It has changed my life.
- Very nice to have something to do to keep your mind off things.
- Helps me deal with the stress of day to day life as a caregiver to a cancer patient.
- Stress Reliever
- Very thoughtful that you provide such an activity. Thank You
- I always check to see what's happening in the Arts In Medicine Studio. Love choosing earrings from the display.
- These activities are beneficial to patients and help to keep patients positive.
- Looking at the beautiful artwork really helped pass the long wait today. I always look at the new displays each time we come for an appointments.
• It was so nice to sit and visit with others working with the painted rocks and relaxing.
• Wonderful projects, helps take my mind off the wait while patient is receiving treatment.
• Very much enjoyed the music while waiting for my husband to see the doctor.
• I wish I had more time to participate in the art activities. They look like fun.
• Music is soothing to the soul.
• Very cool class for an untalented person. (Beginners Watercolor Painting)
• Keep having this activity (Beginners Watercolor Painting)
• The teacher (Larry Hamilton) is great.
• Need more Beginners Watercolor Painting classes per month.
• I really look forward to seeing my arts and crafts friends each week. Arts in Medicine is a relaxing way to spend chemo.
• I loved hearing the old hymns - I knew them all.
• I think this is an awesome idea. I have full body RSD and this takes my mind off things.
• I love the music played on Monday mornings!
• Great class - fun to try something completely new
• Much better than good! Blessed
• Thanks for having this class
• Thanks for everything, you made my day better.
• I enjoyed speaking with volunteers in the Studio.
• The music from the piano made a difference in my stress level. Studio volunteers were very friendly and sweet to give out bracelets and asked if I would like to participate in the activity.
• The live music was such a treat.
• It was an unexpected blessing to hear the live piano music.
• This is our first visit to the cancer center so the uncertainty is causing anxiety. The Studio volunteers were encouraging and friendly and helped my mood tremendously.
• The most important benefit to me was the interaction with other people.
• Larry Hamilton is a great instructor. (Beginners Watercolor Painting)
• Great watercolor class and so relaxing to have the piano music in the background.
• I always enjoy the activities - makes me feel good and alive.
