Watson Clinic is pleased to welcome a recent addition to our team of expert General Surgery specialists.

ANTHONY R. ZAPPIA, MD, FACS
Board-certified General Surgeon

Dr. Zappia specializes in minimally invasive robotic surgery, a highly advanced technique that results in smaller incisions, minimized surgical trauma and faster recoveries than ever before. He utilizes this technology to perform a host of procedures, including:

- Robotic Colon Resection
- Robotic Hiatal, Inguinal and Ventral Hernia Repair
- Robotic Gall Bladder Removal
- Robotic Colon Resection

Dr. Zappia works to combine the latest medical technologies with deeply personalized and attentive plans of treatment.

CALL 863-680-7486 FOR AN APPOINTMENT.
