SAVE **\$150** ON A PRP HAIR RESTORATION PACKAGE

For treatments performed through 1/31/22. No further discounts apply.

PRP treatments involve a process where the plasma is isolated and concentrated from a blood sample, and injected into problematic areas to inspire the activation of long-dormant hair follicles. This results in the regrowth of hair in patients who suffer from varying degrees of hair loss.

To schedule your appointment, please call **863-904-6231**.
