

PUTTING THE FIRE OUT...

HEARTBURN NO MORE!

*Robotic Anti Reflux and
Hiatal Hernia Surgery*

During this free informative lecture, **Dr. Anthony Zappia** will discuss the signs and symptoms of heartburn and hiatal hernias, and share the minimally invasive robotic procedures that treat these issues with smaller incisions and faster recoveries than ever before.

**ATTENDEES OF THIS FREE SEMINAR CAN
ALSO RECEIVE A FREE HERNIA SCREENING.**
