

WATSON CLINIC

Cardiology

Teamwork
is at the **Heart** of what
we do.

As the field of cardiology continues to advance, you deserve a team that stays ahead of the curve on the latest tools and techniques that are shaping its future.

Watson Clinic has distinguished itself as a leader in cardiac care for generations. Our expert cardiologists have authored groundbreaking research, utilized the most progressive technologies, and made a profound impact on the prevention, diagnosis and treatment of cardiac disorders for patients in our community and far beyond.

These board-certified specialists possess years of experience in all areas of cardiology including interventional cardiology, electrophysiology, echocardiography, nuclear and PET cardiology, and pacemaker/ICD.
