## Mental & Behavioral Health for Children, Adolescents & Young Adults

### JOHN "WORTH" HOPKINS, DO

As your child continues to develop mentally and socially, there are a number of challenges that might understandably impact their sense of well-being. Nurturing their mental and behavioral wellness is a crucial part of protecting their overall health.

**Dr. John "Worth" Hopkins** is specially trained in guiding patients through these challenges with renewed perspective and confidence. **He is board-certified in both General Psychiatry and Child and Adolescent Psychiatry by the American Board of Psychiatry and Neurology.**

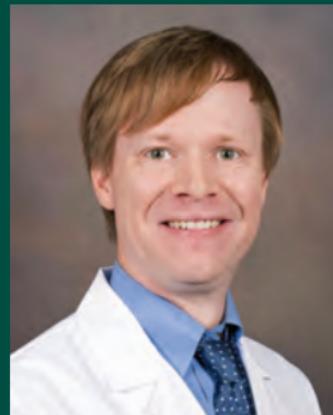

#### Dr. Hopkins' areas of expertise include:

- Attention-Deficit/Hyperactivity Disorder
- Depression
- Anxiety
- Obsessive-Compulsive Disorder
- Early-Onset Psychosis
- Emerging Adult Stress
