

FEEL BETTER QUICKER!

Watson Clinic Urgent Care Main provides on-demand care for minor illnesses and injuries without the burden of steep emergency room fees. Along with Urgent Care South, this facility empowers a healthier community for residents of north Lakeland and surrounding areas by offering the following:

- A staff of board-certified physicians and highly trained care team members.
- Onsite access to x-ray, CT scans, ultrasound, and laboratory capabilities.
- After-hours and weekend availability.
- Children 2-17 years old must be accompanied by a legal guardian.
- Acceptance of walk-ins.
- Expert treatments for common conditions and injuries including flu, earaches, upper respiratory infections, small cuts and fractures, and much more!
- Rapid and PCR COVID-19 testing.
