

YOUR CONVENIENT ALTERNATIVE TO ER VISITS

Life's little emergencies don't follow a schedule. That's why **Watson Clinic** proudly offers a number of options for people who need immediate care, but without the higher costs typically associated with an emergency room visit.

Each walk-in care location provides a staff of board-certified physicians and highly trained care team members who treat a variety of minor illnesses and injuries including:

- **Earaches & Sore Throats**
- **Small Lacerations**
- **Bladder Infections**
- **Upper Respiratory Infections**
- **Sports Injuries**
- **Cold & Flu**
- **Allergic reactions**
- **Minor burns & rashes**
- **Dehydration**
- **Animal or insect bites**
- **And much more!**

Watson Clinic's walk-in facilities are open 7 days week, offer expanded evening and weekend hours, and feature on-site laboratories and imaging capabilities for faster test results.
