

# HEALTHCARE

for your entire family.

A **family doctor** can help you navigate your path to a lifetime of good health. Patients ages 2 and up rely on them for routine check-ups, sick care, preventive screenings, and easy referrals to additional specialists when needed.

Watson Clinic Highlands board-certified family medicine physician **Dr. Rony Alvarado** has recently welcomed a new member to his team: **Brooke Livingston, APRN, FNP-C**, a registered nurse practitioner who specializes in general wellness services, weight management, and the treatment of chronic and acute health conditions.

This exciting addition provides an exceptional caliber of care and the convenience of enhanced appointment availability for Dr. Alvarado's valued patients.

For more information and to schedule an appointment, call **863-680-7190** or log in through your **MyChart** patient portal account.
